

Sewer Use Ordinance #174-A

Whereas, The Sewer Ordinance was amended in 1996 to include the water with set rates to be added to the monthly sewer bill.

Whereas, it is the duty of the Mayor and Board of Aldermen to regulate the rates for usage of the sewer and water.

Now therefore, be it ordained by the Mayor and Board of Aldermen

- Section1:
- A.) To connect to the sewer system a minimum tap fee of \$500.00 plus time and materials
 - B.) To connect to the town water system minimum tap fee of \$300.00 plus time and materials
 - C.) A fee of \$275.00 is required for a water meter when any new construction or existing construction connects to town water
 - D.) Residential flat rates to be \$10.00 a month
 - E.) Low volume commercial to be \$20.00 a month
 - F.) High volume commercial to be \$40.00 a month
 - G.) Extra high volume commercial to be regulated
 - H.) All public school rates to be \$275.00 a month
 - I.) That the delinquent flat rate to be charged \$3.00 for all Sewer and water bills
 - J.) The town requires fire hydrants for any new development. The developer will pay \$2500.00 for the hydrants, plus time to install the hydrants.
 - K.) If the water has been disconnected for non-payment there will be a re-connect fee charge of \$30.00 plus bill amount.

Be it further ordained, that this amended ordinance will become effective the first month following adoption.

Alderman Ruby Gauley so moved to accept the amended ordinance as is and Alderman David McQueen second the motion.

Voting: Alderman Walsh-absent
