DISCUSSION:

With the amount of people unable to pay their fines. The State mandates other options to satisfy their fines. We plan to coordinate a community service litter abatement program with the street crew with dates and times as needed. People that cannot physically perform litter abatement can be assigned to a non-profit organization. There are some details being worked out, such as working on private property. Alderman Schultheis inquired as to whether the community service will only be in the town limits.
